

# How to use love languages for better sex

Here at Roam we believe it's always important to be in tune with your sex life. One of the most common reasons the spark may not always be as bright is because you're not communicating properly with your partner. If you're perhaps feeling frustrated with how it's going down (or maybe NOT going down), it could be as simple as delving into your love language to spice things up again.

BY THE ROAM TEAM 6 MIN READ

Dear Aries, your 2024 horoscope looks promising. You will finally do the introspection that you have been avoiding and get rid of all those nasty monsters you've so casually been sweeping under the rug. And trust me, once you do this, you will radiate a whole new light which will attract love if you're single, or help push an existing relationship in a more serious direction. These [36 questions to fall in love](#) might come in handy!
